HCR4	The legislation outlines the requirements for lobbyists to register with the chief clerk of the house and the secretary of the senate before engaging in lobbying activities. It emphasizes the need for timely declarations regarding the subjects of legislation being lobbied and mandates electronic filing of information. Additionally, it establishes strict rules against gifts, fees, and other forms of compensation that could influence legislative actions.	watching	introduced, placed on calendar. h.j. 02/03.	message from senate. h.j. 02/06.	
HF1	House File 1 mandates that school districts permit students residing in their district and enrolled in nonpublic schools to participate in extracurricular interscholastic athletic contests that are not offered by their nonpublic school contingent upon an agreement between the school district and the nonpublic school. Student may participate in a contiguous school districts if their district of residence does not offer the activity. If a fee is established for participation, it must not exceed the fee charged to students enrolled in the public school district. The bill takes effect immediately upon enactment.	oppose	committee report approving bill, renumbered as hf 189.	committee report approving bill, renumbered as hf 189.	No Action This Week
HF10	House File 10 amends the existing law regarding the attachment of territory from a school district that is subject to an approved dissolution proposal. The bill specifies that the attachment will be effective on July 1 of the calendar year following the year in which the attachment was approved. The bill applies to dissolution propositions approved by voters on or after its effective date. The bill will be amended to match SF 16.	undecided	committee report approving bill, renumbered as hf 174.	committee report approving bill, renumbered as hf 174.	No Action This Week
HF101	House File 101 introduces a new regulation regarding the issuance of bonds for public projects in Iowa. For any project where a proposition to issue bonds is approved in an election after July 1, 2025, the total amount of bonds issued cannot exceed 80% of the project's total cost. The remaining 20% must be funded through other sources.	oppose	subcommittee: meggers, wichtendahl and wills, j. h.j. 123.	subcommittee: meggers, wichtendahl and wills, j. h.j. 123.	No Action This Week
HF102	Requires each school district and accredited nonpublic school to have at least one trained employee to assist with the administration of seizure medications and vagus nerve stimulation by July 1, 2025. Requires by December 31, 2026, all school personnel must receive training on recognizing seizures and providing first aid. The bill outlines the development of individual health plans and seizure action plans for students with known seizure disorders, ensuring that schools maintain necessary documentation and collaborate with parents and healthcare professionals. Provides liability protections for school personnel acting in good faith to assist students with seizure needs.	oppose	subcommittee: bradley, kniff mcculla and levin. h.j. 171.	subcommittee meeting: 02/11/2025 12:30pm rm 102.	
HF11	House File 11 amends the existing law regarding the start date of the school calendar for school districts and accredited nonpublic schools in Iowa. The bill stipulates that the school year can begin no earlier than August 23 or the first business day that falls three days after the conclusion of the Iowa State Fair.	support	introduced, referred to education. h.j. 40.	introduced, referred to education. h.j. 40. HF122	Increases the supplementary weighting associated with an SRO from two pupils to four pupils, effective July 1, 2025.	support	subcommittee: behn, bradley and gjerde. h.j. 171.	subcommittee: behn, bradley and gjerde. h.j. 171.	No Action This Week
HF136	Amends the Iowa school performance profiles by stipulating that if a student returns to school after dropping out and subsequently drops out again, this second dropout will not negatively affect the school's performance grade. The bill aims to provide a more accurate representation of school performance by excluding certain dropout instances from the performance calculations.	support	subcommittee: ingels, ehler and johnson, c. h.j. 171.	subcommittee meeting: 02/06/2025 12:30pm house lounge.	
HF149	Language that ties these actions to any actual or perceived traits or characteristics of students, focusing instead on the creation of a hostile school environment. The bill also makes conforming changes to related sections of the Iowa Code.	undecided	introduced, referred to education. h.j. 01/30.	subcommittee: hayes, levin and stone. h.j. 02/06.	
HF150	House File 150 aims to eliminate the use of standards-based grading in Iowa's secondary education system. Standards-based grading is defined as a method that evaluates student performance based on mastery of specific learning objectives rather than traditional grading methods.	oppose	introduced, referred to education. h.j. 01/30.	subcommittee: fett, hora and matson. h.j. 02/06.	
HF163	Allows districts and accredited nonpublic schools to create multidisciplinary threat assessment teams. These teams are tasked with assessing and intervening when students exhibit behaviors that may pose a threat to safety. The bill also allows for the sharing of relevant information among covered entities, including schools and governmental agencies, to ensure that students at risk receive appropriate services. Provides immunity from civil liability for individuals who report potential threats in good faith.	support	introduced, placed on calendar. h.j. 01/30.	introduced, placed on calendar. h.j. 01/30.	No Action This Week
HF165	Requires students in grades 9 through 12 to pass a civics assessment based on the U.S. citizenship and immigration services naturalization civics test. Students must correctly answer at least 60% of the questions to pass, with unlimited retakes allowed for those who do not meet this threshold. The bill also stipulates that no fees can be charged for taking the assessment. Allows applies to students seeking a high school equivalency diploma. The state board of education is tasked with adopting rules to implement these provisions.	oppose	introduced, placed on calendar. h.j. 01/30.	introduced, placed on calendar. h.j. 01/30. HF180	House File 180 amends Iowa law to include grooming as a class 'D' felony under section 709.8A. Individuals convicted of this offense will be required to register as tier I sex offenders for a period of 10 years. The bill also stipulates a special sentence of 10 years in custody of the Iowa Department of Corrections, with eligibility for parole. This legislation aims to strengthen the legal framework surrounding grooming and enhance public safety by ensuring that offenders are monitored through the sex offender registry.	watching	introduced, placed on calendar. h.j. 01/30.	introduced, placed on calendar. h.j. 01/30.	No Action This Week
HF186	Includes employees and agents of public and nonpublic schools as responsible parties in the definition of "child abuse". It mandates that any allegations of child abuse involving these individuals be reported to the Department of Health and Human Services (HHS) and, if applicable, to law enforcement. The bill also requires the HHS to establish rules for handling such reports and necessitates that school boards place employees on administrative leave during ongoing assessments.	undecided	introduced, referred to education. h.j. 155.	subcommittee meeting: 02/10/2025 12:00pm house lounge.	
HF187	Beginning July 1, 2024, the bill establishes that resident pupils attending nonpublic schools can receive ESAs, with specific conditions regarding prior enrollment and household income not to exceed 400% of the federal poverty level. Notably, the bill removes the income eligibility requirement for school budget years beginning on or after July 1, 2025, allowing broader access to the program. The bill is effective immediately upon enactment.	support	introduced, referred to education. h.j. 155.	introduced, referred to education. h.j. 155.	No Action This Week
HF189	House File 189 mandates that school districts permit students residing within the district and enrolled in nonpublic schools to participate in athletic contests not offered by their nonpublic school, contingent upon an agreement between the school district and the nonpublic school regarding the student's eligibility. Allows the nonpublic student to participate in a contiguous districts if their resident district doesn't offer the activity. The bill stipulates that any fees for participation must be paid by the student or their guardian, and these fees cannot exceed those charged to public school students.	oppose	introduced, placed on calendar. h.j. 155.	introduced, placed on calendar. h.j. 155. HF251	House File 251 requires the state board of education to maintain and publish a list of nonpublic schools accredited by independent agencies. The list must include descriptions of the educational standards these schools meet for accreditation, as well as any amendments or waivers granted. The state board is also tasked with updating this list annually, ensuring that the information remains current and accessible to the public.	support	introduced, referred to education. h.j. 02/06.	introduced, referred to education. h.j. 02/06.	No Action This Week
HF252	Requires higher education institutions in Iowa to integrate preparation in computer science, artificial intelligence, and computational thinking into their teacher preparation programs. Institutions can fulfill this requirement through dedicated courses or by incorporating these topics into existing curricula. The state board of regents is tasked with providing guidance to institutions on how to implement these changes effectively. The provisions of this bill will apply to students admitted to these programs on or after July 1, 2026.	undecided	introduced, referred to education. h.j. 02/06.	introduced, referred to education. h.j. 02/06.	No Action This Week
HF253	Requires a semester of computer science as a condition for high school graduation. Beginning with the 2029-2030 school year, all students must complete this requirement, which may include instruction provided in grade eight. The bill allows for computer science instruction to be integrated into existing science and mathematics units. Provides pathways for teachers to obtain endorsements for computer science instruction and establishes a professional development incentive fund for educators.	oppose	introduced, referred to education. h.j. 02/06.	introduced, referred to education. h.j. 02/06.	No Action This Week
HF259	House File 259 requires public notices for governmental meetings include specific details such as the time, date, and place of the meeting, as well as the tentative agenda. The bill requires notices to be posted in a prominent location and on the governmental body's internet site. Requires that if a tentative agenda is amended, the changes must be clearly marked and communicated. The legislation also stipulates that notice must be given for canceled meetings.	undecided	introduced, placed on calendar. h.j. 02/06.	introduced, placed on calendar. h.j. 02/06.	No Action This Week

		RSAI	Starting action	Ending action	No Action This week
HF262	House File 262 introduces a teacher minimum salary budget adjustment for Iowa school districts, effective from July 1, 2025. If a district's actual costs to comply with minimum salary requirements exceed its total teacher salary supplement district cost, it can receive an adjustment. This adjustment is limited to the necessary amount to comply with teacher leadership positions and prevent salary compaction. School boards must adopt a resolution to receive the adjustment and notify the school budget review committee. The additional revenues generated will be classified as miscellaneous income and must be used for minimum teacher salary purposes.	support	introduced, referred to education. h.j. 02/06.	introduced, referred to education. h.j. 02/06. HF263	House File 263 amends existing law to require that all physically able students in K-5 engage in at least 30 minutes of physical activity each school day. This requirement is in addition to the physical education curriculum and cannot be fulfilled by physical education classes. The bill specifies conditions under which schools may exempt students from this requirement, such as health and safety concerns, inclement weather, early dismissal, or student absence. The bill clarifies that the physical activity requirement does not apply to students who are suspended or expelled.	oppose	introduced, referred to education. h.j. 02/06.	introduced, referred to education. h.j. 02/06.	No Action This Week
HF27	House File 27 introduces a tax deduction for the purchase of nonathletic school uniforms mandated for students attending public or nonpublic schools. Taxpayers can subtract the amount spent on these uniforms from their taxable income, up to a maximum of \$500. The bill is designed to alleviate some of the financial burden associated with school uniform requirements. It applies retroactively to tax years beginning on or after January 1, 2025.	undecided	introduced, referred to ways and means. h.j. 42.	introduced, referred to ways and means. h.j. 42.	No Action This Week
HF33	House File 33 creates an agriculture education grant program within DE aimed at expanding student access to agriculture-related instruction. School districts can apply for grants to cover personal services costs associated with hiring teachers for additional instruction in agriculture education programs. Grants can cover up to 100% of costs for programs less than ten years old and 50% for older programs. The funding must supplement existing public funding and cannot replace it. The Department will also track teacher instruction time funded by these grants and establish rules for grant administration.	support	subcommittee: ingels, hora and levin. h.j. 170.	subcommittee recommends passage.	
HF34	Amends existing Iowa law to require that information about immunization exemptions and the requirements for obtaining them be included in public communications following immunization recommendations. Schools, child care centers, and institutions of higher education must provide this information in their communications to parents, guardians, and students. The bill specifies that this information must be made available on relevant websites and in registration documentation. The state will cover the costs associated with these requirements through existing school funding.	undecided	subcommittee recommends passage.	subcommittee recommends passage.	No Action This Week
HF36	House File 36 modifies the standards for judicial review of agency actions under the Iowa Administrative Procedure Act. It requires courts to interpret state statutes and agency rules de novo, without deferring to agency interpretations. The bill also mandates that courts exercise any remaining doubt in favor of interpretations that limit agency authority.	undecided	committee vote: yeas, 15. nays, 6. h.j. 174.	committee vote: yeas, 15. nays, 6. h.j. 174. HF68	House File 68 requires every school district in Iowa to adopt a policy that defines 'insufficient classroom space' to include standards related to the capacity to provide instruction to English learners. Currently, school districts must approve open enrollment applications unless they can demonstrate insufficient classroom space, which is a decision typically based on special education services or inadequate facilities. This bill adds EL staffing considerations to the requirement.	undecided	introduced, referred to education. h.j. 85.	introduced, referred to education. h.j. 85.	No Action This Week
HF69	Allows school boards to authorize the sale, possession, and consumption of alcoholic liquor, wine, or beer during social events or other non-school-related functions, provided that the premises hold a five-day retail alcohol license. The bill maintains restrictions on consumption during school-related functions and establishes penalties for violations. The legislation is effective immediately upon enactment.	undecided	subcommittee: harris, dunwell and scheetz. h.j. 170.	subcommittee recommends passage.	
HF76	House File 76 requires school districts, accredited nonpublic schools, charter schools, and innovation zone schools in Iowa to incorporate specific provisions related to pregnancy and fetal development into their human growth and development and health curricula. The curriculum for grades 7 and 8 must include human biology related to pregnancy, human development inside the womb, and visual aids such as a high-definition ultrasound video and computer-generated animations depicting fetal development. For grades 9 through 12, similar content is mandated in the health curriculum.	oppose	introduced, referred to education. h.j. 86.	introduced, referred to education. h.j. 86.	No Action This Week
HF8	House File 8 mandates that school districts and accredited nonpublic schools create procedures for school nurses to administer broad-spectrum cannabidiol products to students. The bill defines broad-spectrum cannabidiol as a pharmaceutical-grade cannabinoid that contains no tetrahydrocannabinol (THC). Parents or guardians must provide the product along with written instructions and documentation confirming its compliance with the definition. The procedures must include a form for parental authorization and specific usage instructions.	undecided	introduced, referred to education. h.j. 39.	introduced, referred to education. h.j. 39. HF96	House File 96 creates the advanced dyslexia specialist endorsement competitive scholar program, administered by the college student aid commission. The program reimburses teachers for tuition costs associated with obtaining an advanced dyslexia specialist endorsement. Eligible teachers must work in Iowa schools or AEAs and apply for reimbursement annually. The total reimbursement is capped at 75% of tuition costs and is available for a maximum of two years. The bill also establishes a fund for the program and appropriates \$335,000 for the fiscal year 2025-2026.	support	subcommittee recommends passage.	committee vote: yeas, 22. nays, 0. excused, 1. h.j. 02/06.	
HF97	Creates a scholarship program aimed at supporting individuals with intellectual, developmental, or learning disabilities who are at least 18 years old and enrolled in comprehensive transition and postsecondary programs approved by the U.S. DOE. The program is administered by the college student aid commission in consultation with the division of vocational rehabilitation services. Scholarships can provide up to \$5,000 per academic year to help cover tuition and fees. Applicants must reapply annually, and priority is given to Iowa residents. The bill also establishes a dedicated fund for the scholarship program, ensuring that appropriated funds remain available for future use.	support	subcommittee meeting: 02/04/2025 12:00pm rm 19.	committee vote: yeas, 22. nays, 0. excused, 1. h.j. 02/06.	
HR6	House Resolution 6 aims to recognize February 2025 as Career and Technical Education Month, highlighting the importance of career and technical education in preparing students for the workforce. The resolution emphasizes the need for students to gain academic, technical, and employability skills, which are essential for career readiness. It also addresses the skills gap reported by industry leaders and encourages community engagement in career and technical education programs.	undecided	resolution filed, laid over under rule 25. h.j. 02/06.	resolution filed, laid over under rule 25. h.j. 02/06. HSB107	Mandates that all school bus drivers must complete a DE approved course within the first six months of employment and every 24 months thereafter. The bill introduces a provision that allows the DE to accept proof of completion of federal entry-level driver training as meeting the course requirements, provided it includes the necessary passenger and school bus endorsement training. Stipulates that failure to provide proof of completion will result in revocation of the driver's authorization to operate a school bus.	support	subcommittee: moore, t., kurth and weldon. h.j. 172.	subcommittee meeting: 02/06/2025 12:00pm house lounge 2.	
HSB108	Adds the teacher salary supplement state cost per pupil to the existing funding structure for Charter Schools, which already includes the regular program state cost per pupil, PD, EICS and TLC. The bill is set to take effect immediately upon enactment and will apply to school budget years beginning on or after July 1, 2025.	oppose	subcommittee: gehlbach, madison and shiple. h.j. 172.	subcommittee recommends passage.	
HSB137	This bill by the Governor focuses on mathematics and civics. It mandates the development of family-centered resources to support mathematics learning at home and requires schools to assess students' mathematics proficiency at least three times a year. The bill requires school districts to develop individual plans for students at-risk of nonproficient math achievement. Students so identified must be screened every three weeks. The bill directs the DE to provide professional development and support for teachers in struggling schools and to develop a state math plan. the bill establishes a civics test as a graduation requirement for high school students, ensuring they achieve a passing score. The bill also requires high school students to pass the INS civics test for citizenship by at least 60% correct, and include modifications for students with disabilities and EL students.	undecided	by committee on education	subcommittee: gehlbach, henderson and kurth. h.j. 02/06.	
HSB138	HSB138 introduces a state percent of growth and a categorical state percent of growth, both set at 2.25% for the budget year starting July 1, 2025. It modifies the calculation of property tax replacement payments and establishes a funding supplement for school districts. The bill also increases the maximum supplementary weighting for shared operational functions from 21 to 25 pupils for budget years beginning on or after July 1, 2025. The bill address DCPD and SCPP inequity by growing the SCPP by \$10 for districts at the minimum DCPD, lowering the funding gap from \$140 to \$130 per pupil. The bill appropriates funds for transportation equity payments sufficient to bring all districts to the average expenditure per pupil transported.	support	by committee on appropriations	subcommittee meeting: 02/10/2025 1:00pm rm 103.	
HSB18	The Employment Appeal Board is established within the Department of Inspections, Appeals, and Licensing to handle contested cases under various Iowa Code chapters, which includes taking over the duties of the Iowa Public Employment Relations Board, PERB, eliminated during state government reorganization legislation enacted in 2024. The bill outlines the procedures for rehearing applications and judicial reviews, specifying that petitions can be filed in certain district courts. It also clarifies that the board and the department are not liable for unemployment benefits that are not due or if funds are unavailable.	undecided	subcommittee recommends passage.	subcommittee recommends passage. SF6	The bill amends existing Iowa law to require that information about immunization exemptions and their requirements be included in public communications following immunization recommendations. Schools, child care centers, and institutions of higher education must provide this information in their communications to parents, guardians, and students. Additionally, it specifies that this information must be available on relevant websites and registration documents. The legislation also outlines the responsibilities of various educational	undecided	subcommittee recommends passage.	subcommittee recommends passage.	No Action This Week
SF60	Establishes a minimum foundation aid of \$300 per pupil unless the total aid exceeds the combined district cost per pupil. The bill also requires adjustments to the foundation property tax rate if the total aid and property tax exceed the combined foundation base. Applies to budget years starting on or after July 1, 2026.	undecided	subcommittee: taylor, garrett, and quirnbach. s.j. 151.	subcommittee recommends passage.	
SF61	Senate File 61 focuses on enhancing robotics extracurricular activities in Iowa schools. It requires DE to provide technical assistance and educational resources to school districts for chartering career and technical student organizations related to robotics. Authorizes high school athletic organizations to sponsor interscholastic contests and competitions in robotics.	support	subcommittee meeting: 02/03/2025 12:30pm senate lounge.	subcommittee recommends passage.	
SF64	Allows school districts to receive an additional budget adjustment equal to the amount they received in the base year if a major disaster has been declared by the president or the governor during the base year or the year preceding it.	support	subcommittee: evans, taylor, and winckler. s.j. 151.	subcommittee recommends passage.	
SF72	Senate File 72 creates the advanced dyslexia specialist endorsement competitive scholar program, administered by the college student aid commission. The program reimburses teachers for tuition costs associated with obtaining an advanced dyslexia specialist endorsement. Eligible teachers must work in Iowa schools or area education agencies and apply for reimbursement annually. The total reimbursement is capped at 75% of tuition costs over a maximum of two years. The bill also establishes a fund for the program and appropriates \$335,000 for the fiscal year 2025-2026. Reporting requirements are included to track the program's outcomes and effectiveness.	support	subcommittee: taylor, gruenhagen, and quirnbach. s.j. 152.	subcommittee recommends amendment and passage.	
SF78	The bill modifies existing programs to include skilled trades such as welding, carpentry, and plumbing in educational curricula across school districts. It establishes internship programs to assist students studying these trades in securing positions with Iowa employers, providing financial assistance to employers who hire interns. The act also emphasizes the importance of skilled trades in STEM education and aims to recruit and support skilled trades teachers. Additionally, it mandates data collection on the enrollment of females and minorities in skilled trades programs.	determining registration	subcommittee: rozenboom, donahue, and kraayenbrink. s.j. 152.	subcommittee: rozenboom, donahue, and kraayenbrink. s.j. 152. SF8	The bill prohibits school districts and charter schools from taking disciplinary actions against employees, contractors, or students for using legal names or names as listed in school records. It also protects individuals from penalties for not using personal pronouns in official communications. The bill defines 'disciplinary action' broadly, including termination, suspension, and reprimands. Employees who believe their rights are violated under this law can seek civil action for reinstatement and	undecided	subcommittee recommends passage.	subcommittee recommends passage. SF80	The bill mandates that the lead special education teacher of a student's IEP is responsible for assessing the student's eligibility for participation in extracurricular athletic events at public or nonpublic schools. The teacher must consider the student's attendance record and academic performance when making this determination. Coaches and athletic directors are explicitly prohibited from making eligibility decisions for these students. The bill does not apply to students with severe and profound disabilities who require special education under chapter 256B.	undecided	subcommittee: rozenboom, donahue, and kraayenbrink. s.j. 152.	subcommittee: rozenboom, donahue, and kraayenbrink. s.j. 152. SF86	The bill requires school district boards to develop and implement a process for appointing student liaisons. These liaisons will serve as a bridge between the board, administrators, teachers, and the student body, providing student perspectives on educational policies. The appointed student liaison will participate in regular board meetings in a nonvoting capacity and will have access to nonconfidential materials. However, they are prohibited from participating in special meetings or discussions related to disciplinary matters. The bill also mandates the development of a model application and selection process for the	oppose	subcommittee: rozenboom, kraayenbrink, and staed. s.j. 152.	subcommittee: rozenboom, kraayenbrink, and staed. s.j. 152. SF89	Mandates that the Iowa Statewide Interoperable Communications System board is responsible for processing all applications for access to the communications system without delegation. It outlines eligibility for access, including public entities and various public service organizations. The act specifies that all associated costs for equipment and programming are the responsibility of the organizations, while the state will provide setup, training, and support at no cost. Allows for appeals against decisions to deny or remove access. The act takes effect immediately upon enactment.	watching	introduced, referred to state government. s.j. 121.	subcommittee: rozenboom, schultz, and staed. s.j. 193.	
SF91	The bill changes provisions related to the determination of school enrollment in Iowa. The bill specifies that budget enrollment will be calculated annually based on averages from counts taken on October 1 and March 1 of the following year. It also outlines the process for determining additional enrollment due to special education and supplementary weighting, requiring school districts to certify their counts by specific deadlines. The bill takes effect immediately upon enactment and applies to school budget years starting after its effective date.	determining registration	subcommittee: rozenboom, kraayenbrink, and trone garriott. s.j. 152.	subcommittee: rozenboom, kraayenbrink, and trone garriott. s.j. 152. SSB1021	The bill outlines the requirements for lobbyists, including mandatory registration with the chief clerk of the house and secretary of the senate before engaging in lobbying activities. It specifies the need for lobbyists to declare their interests in specific legislation and prohibits various forms of unethical conduct, such as offering gifts or economic opportunities to members of the legislature. The rules also mandate electronic filing of information and ensure that all lobbyist-related documents are public records. Additionally, the legislation includes provisions for the reporting of lobbying activities and establishes penalties for violations of these rules.	undecided	committee report approving bill, renumbered as scr 1.	committee report approving bill, renumbered as scr 1. SSB1022	The bill amends existing laws regarding supplementary weighting for school districts that share operational functions with political subdivisions. The bill allows for supplementary weighting for the position of college and career transition counseling starting from budget years after July 1, 2024, and for mental health professionals, social workers and school resource officers starting from budget years after July 1, 2025, to be exempted from the 21-student cap. The maximum additional weighting a school district can receive remains at 21 pupils, but these four positions will not count towards this limit.	support	committee report approving bill, renumbered as sf 168.	committee report approving bill, renumbered as sf 168. SSB1025	The bill stipulates that state assessments may be allowed virtual for students in virtual programs, must be conducted under specific conditions, including assigned dates and times, synchronous sessions managed by school personnel, and monitoring by assessment proctors via video feed. Mandates a maximum ratio of ten students per proctor and requires verification of assessment submission by an administrator.	support	subcommittee recommends passage.	committee report approving bill, renumbered as sf 211.	
SSB1026	Senate Study Bill 1026 amends the existing law regarding the composition of teacher quality committees in Iowa. The bill stipulates that teacher members will now be appointed by the school district's or area education agency's administration, rather than by a certified employee organization. This change aims to streamline the appointment process while maintaining equal representation of administrators and teachers on the committee. Additionally, if a school district has an existing committee with significant stakeholder involvement, it may be allowed to assume the responsibilities of the teacher quality committee.	watching	subcommittee recommends passage.	subcommittee recommends passage. SSB1027	Allows school districts to implement programs aimed at recruiting new teachers and retaining current ones by using funds from the district management levy. The bill stipulates that any recruitment or retention incentive cannot exceed 10% of an initial teacher's salary and can only be paid for a maximum of five school budget years. Additionally, school boards must choose between adopting early retirement benefits or teacher incentives, but not both concurrently. Public discussion and comment are required before any program adoption.	support	subcommittee recommends passage.	committee report approving bill, renumbered as sf 206.	
SSB1028	The bill requires school districts, accredited nonpublic schools, charter schools, and innovation zone schools in Iowa to incorporate provisions related to pregnancy and fetal development into their human growth and development and health curricula. The bill specifies that students in grades 1 through 8 must receive instruction on human development inside the womb, including high-definition ultrasound videos and computer-generated animations depicting prenatal development. For grades 9 through 12, the health curriculum must also include similar content. The state board of education is required to adopt rules to administer these provisions, ensuring that the information provided is age-appropriate and research-based.	oppose	committee report approving bill, renumbered as [].	committee report approving bill, renumbered as []. SSB1036	The bill stipulates that the school year must begin no sooner than the Monday immediately preceding the last Monday in August, rather than the previously established date of August 23. Additionally, the legislation maintains the requirement for a minimum of 180 days or 1,080 hours of instruction during the school year. School boards are tasked with determining the specific start date and must hold a public hearing on any proposed school calendar.	support	subcommittee recommends passage.	committee report approving bill, renumbered as sf 205.	
SSB1042	Senate Study Bill 1042 aims to restrict political subdivisions from utilizing funds obtained through taxation to employ or compensate lobbyists. The bill defines a lobbyist and outlines the penalties for knowingly violating this provision, categorizing such violations as serious misdemeanors. If a lobbyist is found in violation, they may face reprimand, suspension, or dismissal from their position. The legislation seeks to enhance government ethics and transparency by preventing the use of taxpayer money for lobbying activities. This measure reflects a commitment to accountability in the use of public funds.	watching	subcommittee recommends amendment and passage.	subcommittee recommends amendment and passage. SSB1077	Adds new exceptions for military applicants, military service members, and individuals traveling for funerals or weddings. It mandates the development of a model policy for county attorneys to reference when enforcing truancy laws. Modifies the notification process for chronic absenteeism, allowing for various methods of communication rather than mandating certified mail. It also stipulates that school officials must only initiate engagement meetings if absences are negatively impacting a child's academic progress.	support	introduced, referred to education.	subcommittee recommends passage.	
SSB1092	This bill by the Governor focuses on mathematics and civics. It mandates the development of family-centered resources to support mathematics learning at home and requires schools to assess students' mathematics proficiency at least three times a year. The bill requires school districts to develop individual plans for students at-risk of nonproficient math achievement. Students so identified must be screened every three weeks. The bill directs the DE to provide professional development and support for teachers in struggling schools and to develop a state math plan. The bill establishes a civics test as a graduation requirement for high school students, ensuring they achieve a passing score. The bill also requires high school students to pass the INS civics test for citizenship by at least 60% correct, and include modifications for students with disabilities and EL students.	undecided	by committee on education	subcommittee: evans, gruenhagen, and quirmbach.	
SSB1100	This Governor's bill revises the calculation of teacher salary supplements to ensure compliance with these new salary standards, based on what schools need to meet the minimums. Provides a 2% growth fact calculated based on the state TSS per pupil and defines a process for correcting errors in BEDS submissions that negatively impacted school TSS allocations in the 2024-25 school year. Allows schools to hire retirees receiving IPERS at a \$50,000 minimum salary. Allows for more flexible student teaching field experiences for teacher candidates with substitute experience. Provides for state reimbursement of out-of-state placement of students requiring special education of the top of state foundation aid, reducing all school districts amounts per pupil to generate the reimbursement funding.	support	by committee on education	subcommittee: evans, pike, and quirmbach.
