CHAIR'S CORNER

Our February meeting was supposed to be a joint meeting with APICS Ohio Valley Chapter. But for reasons not yet known, no one from that organization showed up. So, we went ahead with a great presentation at the Haub Steak House on 5S in the Office. The originally-scheduled presenter, Tom Watson, had a previously-unknown commitment, and so Roger Stanley did a great job in delivering the material. It helps that both Tom and Roger work at Kimball Electronics, so Roger is just about as familiar with the topic as Tom. We all came away with some great ideas on making our office areas (or home) more efficient and organized.

March Meeting -- Some of you might not realize that our Section area extends to the Mt. Vernon, Illinois area. The SLC thought that it was about time to meet in that area, and we had an invitation from one of our members who works at General Tire in Mt. Vernon. So, our Arrangements Chair planned for our March meeting to be a **plant tour at General Tire**. Mark your calendar for March 14th and plan to attend. The plant tours are some of our most popular and well-attended meetings.

To aid in carpooling this greater distance, we're planning on arranging for a van from the Evansville area. So, don't let the distance stop you. Contact Mike Soellner if you want to "ride" with us to Continental Tire. Specific meeting times and location will be available later, but we'll most likely leave from the US 41/I-64 interchange area north of Evansville around 4:00pm CST.

Section Scholarship— applications are beginning to come on for our 2017 Section Scholarship. If you have a child or relative graduating from high school this Spring, go to our Section website (www.asq0915.com) and download the application and information. Deadline is March 31st.

The SLC is having some great discussions in our monthly leadership meetings, and I promise that some "good stuff" is coming up. So, stay involved and, even better, get more involved in a leadership area of your interest. Contact me or any other member of the SLC to find out how.

I hope to see you in Mt. Vernon.
