

WHO WE ARE

Beyond The Walls Ministries, Inc. is a 501c non-profit organization based in Port St. Lucie, FL. We provide free health care services to underserved communities in St. Lucie County as well as internationally. Every year we take mission trips to third world countries to provide basic medical assistance to those communities in need.

OUR MISSION

To reflect the love of Christ by providing underserved communities access to basic medical care and in so doing improving their lives.

VISION

To reach out to communities living without access to medical care and providing them with basic medical care food and clothes.
