ABOUT US

Since 2009

Our family & staff has been serving Dallas & Fort Worth area schools, churches, corporations and non-profit organizations with fun **carnival foods**. We are proud to say that our staff has served over 500,000 people and it keeps on growing.

WHAT WE DO

We specialize in renting and catering carnival foods for weddings, employee appreciation, parties, corporate and **special events**. Our staff has served small parties to large gatherings.

OUR CARTS

We believe that party carts should make a statement at a party, which is why most of our **party carts** have been designed with fun party graphics. You can find red and white stripes on our hand scooped ice cream freezer and custom designed topping cart. Pink **Pok-A-Dots** on our cotton candy carts and trailers. Popsicles on the novelty carts.

FUN FOODS

Want popcorn for a big crowd? Well the old fashioned themed **popcorn wagon** can pop up to 120 boxes of popcorn in one hour and by adding the topping cart your guests can create a unique popcorn taste. Not really interested in popcorn, then try the novelty ice cream cart with the hocker bag perfect for indoor or outside events.
