Solution Tree has been a trusted resource of professional learning for school districts in Iowa for more than 20 years. We provide the highest quality of customized support to ensure the success for all students statewide. The state office was established in July 2022 solely to support Iowa educators in transforming education that ensures that all students are learning at high levels. The state office provides a unique state and local perspective in supporting school districts. We are dedicated to serving as a resource for districts looking for proven and research-based solutions developed by skilled practitioners who have done the work. Established in 1997 by 19 U.S. governors with a mission to expand access to high-quality, affordable higher education, online, nonprofit WGU now serves more than 130,000 students nationwide and has more than 265,000 graduates in all 50 states. Driving innovation as the nation's leading competency-based university, WGU has been recognized by the White House, state leaders, employers, and students as a model that works in postsecondary education. In just 25 years, the university has become a leading influence in changing the lives of individuals and families, and preparing the workforce needed in today's rapidly evolving economy. WGU is accredited by the Northwest Commission on Colleges and Universities, has been named one of Fast Company's Most Innovative Companies, and has been featured on NPR, NBC Nightly News, CNN, and in The New York Times.
