Your Region

The East Cascades Workforce Area is a ten county region in Oregon that *covers nearly 30,000 square miles* and runs from the Washington border in the north to the California border in the south, encompassing *Hood River, Wasco, Sherman, Gilliam, Wheeler, Crook, Jefferson, Deschutes, Klamath and Lake Counties*.

Within this large region, there are three unique labor sheds:

The North Sub-region, concentrated along the Columbia River Gorge and the Columbia Plateau, including the *counties of Hood River, Wasco, Wheeler, Gilliam, and Sherman*.

The Central Sub-region, situated in the high-desert and commonly referred to as Central Oregon, includes *Crook, Jefferson, and Deschutes Counties*.

Lastly, *the South Sub-region*, in the basin of *Klamath and Lake Counties*.

Your Responsibility

In 2015 following the federal authorization of the Workforce Innovation and Opportunity Act, the Governor of Oregon designated the responsibility of overseeing the public workforce system to nine, newly redistricted Local Workforce Boards, of which we are one. It is within the purview of East Cascades Works Board and Staff to ensure that *high-quality training and career services* are delivered to both businesses and job-seekers through the public workforce system, known as WorkSource.

As a non-profit organization, it is important that we are good stewards of public funds, the board entrusts its staff with implementing policies and procedures that are *focused on sustainability planning, budget management, fiscal compliance and rigorous management of complex funding streams*. In addition, the board relies on staff for ensuring that we are compliant with the Workforce Innovation and Opportunity Act (WIOA), state and local laws, regulations, policies, and procedures; as well as any expectations set forth by the board.

Your Priorities

Our 51% private sector led board tasks staff with providing voice to *four target industries: Health Care, Manufacturing, Construction and Technology*; to identify resource and policy gaps. *EC Works serves as a collaborative, neutral convener for industry*, bringing education, training, and public sector partners together to ensure that jobseekers and the emergent workforce are prepared in a way that meets industry demand AND connects individuals to a living wage career.

At the same time, our board focuses our training and career related resources on creating more opportunities for *individuals living in poverty, justice system involved, English language learners, those experiencing disabilities, those with low math and reading skills, veterans and the emergent workforce*. Furthermore, we focus on youth in our communities who have *dropped out or disconnected from high school, those pregnant, parenting, involved in foster care, or experiencing homelessness*.
