

GRAND COUNTY WATER CONSERVANCY DISTRICT
GRAND COUNTY SPECIAL SERVICE DISTRICT
Regular Meeting -----

July 5, 1988

The meeting was called to order by the Vice-Chairman, Gary Wilson at the District Office at 7:00 A.M. Other Grand County Water Conservancy District members present were John Smith and John Groo.

ATTENDANCE

Grand County Special Service District members present were Gary Wilson, George White, Dan Holyoak and Bill McDougald.

Others present were Mr. & Mrs. George Carter, E.R. Carter, Dale Pierson and Roberta Highland.

Roberta read the minutes of the meetings of June 21 and 29, 1988. After calling for additions or corrections and hearing none, the Chair declared the minutes approved as read.

MINUTES

Dale reported he has two quotes on repairing G.W.W. Well #4. Munroe Supply for \$7,363 and one from Rhodes Bros for \$4,837. If it is the Board's pleasure, he will get back to the other suppliers he contacted Friday and get at least one more quote. George moved to have Rhodes go ahead and get the well fixed as fast as possible. Bill McDougald seconded. MOTION CARRIED. Gary has contacted a company from Price, which has a crane for \$75.00 per hour. Dale stated the crane from Grand Junction had cost \$70.00 an hour.

REPAIRS -
GEORGE WHITE
WELL #4

George Carter stated his family was here because he heard the District was doing some drainage on East Bench Road and they would like to be included in any project. Dale read the letter Paul Rattle had brought in on Friday, written to Dee Hansen, regarding the Division's engineering report on the groundwater problem. Gary questioned the map included in the engineering report from Division of Water Resources, and wanted to know who would maintain any ditching and drainage put in. The report was discussed and George White moved the District write the County Commission, and ask them to do an accurate survey of all the land involved, and not study this groundwater problem piecemeal. Bill McDougald seconded. MOTION CARRIED.

WATER TABLE
ON EAST
BENCH ROAD

The proposed rules and regulations, as published, for Ken's Lake were discussed and Dale feels the District can work with San Juan County if any digging has to be done. The various references to "designated camp areas" were discussed and Dale thinks San Juan County might have some plans regarding recreation and camping sites. George asked if we shouldn't contact San Juan County and see if they might take over the trash cleanup.

KEN'S LAKE
RULES & REGS
SAN JUAN CO.

Dale read the Dam inspection report recommending finding and marking the toe drains, and strapping down the
