

Hello Everyone,

Now that we are into August, I need to reach out to club members to ask for volunteers to help at our UKC Agility Trial scheduled for Sep 3-4. Attached is the premium and sign up form. Hoping to have this on the website real soon.

We will need the following positions for both days. Even if you can only help one or any part of the day, please let me know when you can. Also don't worry if you don't know how to do something...all of these positions are easily teachable, and can be fun. :-)

- 1) Senior Course Builder (1 person), and people to help (2 or more people)**
- 2) Sheet Runner (1 person)**
- 3) Lunch Coordinator/Set up Person (1-2 people)**
- 4) Gatekeeper (1 person)**
- 4) Ribbon Handler (1 person)**
- 5) Bar Setters (1-2 people)**

We are having two trials both days indoors, along with Dynamic Tunnels (2) outdoors. Hoping for great weather, and lots of club members who would love to 'play' agility inside, or tunnels outside.

Let me know if you are able to help, and which position/day as well.

Thank you and hope to see you there!!
