

30<sup>th</sup> January 2020

Dear Parents and Carers

### **Australia Day**

Year 2 have been learning about Australia this half term and to complete the topic we have decided to hold an Australia Day in school on Thursday 13<sup>th</sup> February. On this day, the children will have lots of fun taking part in craft and geography based activities.

We would like the children to wear anything red, blue or white to represent the colours of the Australian flag. Please do not buy anything special for this day and as they might get a bit messy please don't send them in their 'best' clothes.

Thank you for your support!

Year 2 Team

Pendle Road, Duston, Northampton, NN5 6DT
