Proudly Serving the Millbrae Community since 1996

APRIL 2009

Spring is in the Air!

We weathered a difficult winter, and as spring approaches we meet it with optimism. Now is the time to come together as Millbrae neighbors, supporting those in need, great or small. MCF looks forward to another year of providing ever-so-necessary funding for the programs that support our standard of living. Your continued support is needed now more than ever to maintain that Millbrae quality of life. Millbrae is a wonderful place to live! -- *Catherine Quigg, President*

"If we had no winter, the spring would not be so pleasant, if we did not sometimes taste of adversity, prosperity would not be so welcome."

-- Anne Bradstreet

MCF Rolls out New Program to honor Mother's and Father's Day

Let's do something a little different this year – make a donation to MCF in honor of your mother and father, and help others in the process! With your donation, MCF will send a lovely card to your parent or grandparent in time for their Day informing them of your thoughtful act. For parents or grandparents who are no longer with us, MCF will honor them with a posting on MCTV, MCF website and our next newsletter.

Mother's Day is coming soon, on May 10, 2009, and Father's Day follows on June 21. Send the coupon below to MCF and use the attached remit envelope. MCF is a 501(c)(3) organization and your donation is tax-deductible.

Deadline for Mother's Day honorees is May 5, 2009

News from the Foundation

What have we been up to lately? Our board has recently voted to approve two new grants. Read on...

Millbrae Teen Center

Middle school students have an after school location they can call their own! The Teen Center was opened at the Rec Center in January 2008 and it serves an average of 25 students per day. Teens can choose from ping pong, pool, Nintendo Wii, participating in a basketball tournament, and arts and crafts. MCF funding will help keep the doors open for our middle school students.

Second Harvest Food Bank

MCF provided funding to support Millbrae Seniors Brown Bag Program. This program provides a weekly bag of groceries to low-income seniors and disabled individuals (ages 55 or more) in Millbrae. This program for seniors is run by seniors, and is vitally important in our community as our seniors benefit both nutritionally and socially from the program.

New Photos! We recently received photos from two **2008 grant recipients** and are excited to share them with you. On the left is Officer Rosenblatt's K-9 named Reece, who was brought on to Millbrae Police Department with support from MCF. MCF provided identifying t-shirts for MPD's Volunteers, on the right.
