

Please see the schedule below for the clubs which are responsible for mowing around the pavilion area prior to the weekend noted. Mowing includes the pavilion, parking area, trail out to Ron's Rock, and down to the junior breakaway. If you are unable to do the mowing, you need to arrange with another club to make sure the mowing gets done. I have included the contact information for all the Officers and Delegates so you can contact a substitute directly.

HELDCA Mowing Schedule – 2025

Prior to Weekend
Of: Club Responsibility to Mow
Pavilion
