

Enchanted Life Foundation Annual Report September 2019

"Enchanted Life Foundation, ELF, is a private family foundation formed for the express purpose of providing higher education, adult Roman Catholic religious formation and charitable opportunities that might not otherwise be available to the people, communities and the Roman Catholic Diocese of Las Cruces, of the ten southern counties of New Mexico. This geographic description should only be interpreted as indicating a preference to assist these individuals and communities first. It does not in any way limit the ability or desire of the foundation to assist other people, communities or Roman Catholic Diocese in the United States." *Norma J. Spina, Founder, Letter of intent*

We have identified six major areas of concern the foundation will address.....

1. Support educational and social needs of the communities within the ten southern counties of New Mexico.
2. Support proficiency in English, both written and spoken, as a matter of social justice and economic advancement.
3. Support the education of future generations by awarding scholarships and working with colleges, universities and vocational/technical schools.
4. Support, in the tradition of the Second Vatican Council, adult faith formation of laity, religious and clerics serving the Roman Catholic Diocese of Las Cruces, New Mexico.
5. Support religious retirement situations and religious communities, such as, by way of example and not by way of exclusion, Seton Hill University and the Sisters of Charity.
6. Support the parishes of the Roman Catholic Diocese of Las Cruces in meeting infrastructure and material needs.

ELF supports the efforts of all people regardless of faith as they work to address educational and social needs.
