Celebrate and Come Feel Our Rocks!

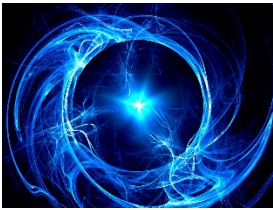

September 1, 2,3, 4 2017 Friday Saturday Sunday and Monday Labor Day Open House 11 am to 4 pm each day

Join with us to celebrate Labor Day Week-end Open House. Enjoy the time off from work and celebrate the day with your family of choice. Have a picnic or visit us and play with stones.

September 2, 2017 Saturday Working with Energy Class 1:00pm to 3:00pm \$25.00 RSVP is required.

This class is great for beginners. We will talk about how to feel energy, how to set intentions with the stones and how to clean or clear your stones. You can bring your own stones to work with or you can use the stones from Star Woman Crystals. Please call 480-423-9512 to reserve your spot today.

September 3, 2017 Sunday National Popsicle Day Open House 11am to 4pm

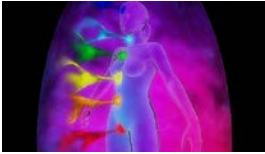

Join Betty and Shari as we celebrate National Popsicle Day. We will offer ice cold tea and popsicles for treats and you can pick up some quartz. I always think that holding quartz is just like holding a piece of ice.

September 17, 2017 Sunday 3-D Aura Camera Open House 11 am to 4 pm with Mary Versosky available

Join us for the fun 3-D Aura photos! **\$30 gets you two great aura images, one is a photo of your head & shoulders with your aura colors around you, and the other is a snapshot of your chakra images! Way cool! A full printout explaining each detail is now only \$50, which includes your photos!** Try holding your favorite crystal while getting your aura photo. It is truly amazing! Mary Versosky includes a fantastic aura reading that is right from the heart and speaks to you, here and now.

September 23, 2017 Saturday Foot Reflexology Open House 11 am to 4 pm with Harry Hover available

Reflexology is gentle manipulation or pressing on certain parts of the foot to produce an effect elsewhere in the body. Reflexologists propose that the blockage of an energy field, invisible life force can prevent healing. Another tenet of reflexology is the belief that practitioners can relieve stress and pain in other parts of the body through the manipulation of the feet. **Harry will offer 20 minutes sessions for \$20.00.** He is great and this is not to be missed!

Harry Hover is a Healing Arts Practitioner trained in Reflexology by the International Institute of Reflexology. He has been promoting relaxation and stress relief since 1986.

September 24, 2017 Sunday National Elephant Appreciation Day Open House 11 am to 4 pm

Join Betty and Shari as we appreciate Elephants. Betty had the pleasure of working with elephants when she was younger. She got to bottle feed orphaned baby elephants. Ask her to tell you some stories of her younger animal days.

September 30, 2017 Saturday National Coffee Day Open House 11am to 4pm

Join Betty and Shari as we celebrate the drink that Betty thinks might just be the nectar of the gods. She can not start her day without a cup of “joe”. According to an expert cupper (a professional coffee taster), there are four components of a perfect cup: aroma, body, acidity, and flavor. From the moment, the average coffee lover opens a fresh bag of coffee beans, the aroma beckons, percolating the senses. Even those who don't drink coffee tend to enjoy the fragrance a roasted bean casts.
