

Valentine Parties

Our classes will celebrate Valentine's Day on Thursday, February 13th and Friday, February 14th. The Valentine parties will begin at 1:45 pm and will be held in your child's class. Your child will exchange valentines with their classmates. Please let your child's teacher know if there is anything you can do to help!

Registration!

It's time for registration! On Tuesday, February 11th, we will begin registering currently enrolled, currently wait listed, and members of FCC for our summer session. New families may begin registering February 25th.

Summer session starts June 2nd and will run for 8 weeks. We are only here on Tuesdays and Thursdays in the summer.

We will also be offering early registration for fall at that time too. Fall session will begin September 1st and runs through May 14th, 2021.

Please remember there is a \$40 registration fee per returning family, per session (so if registering for both sessions, the total fee will be \$80). The registration fee for new families is \$60 for the first session and then drops to \$40 for returning sessions. If you have any friends or family who you could share the program with, we would be so appreciative! Please stop by the office with any questions!

Mark your calendars
for our spring Dairy
Queen Fundraiser
on Thursday, April
23rd from
5-8pm!
