

2020 Athletic Department COVID Guidelines for Youth Sports

Last Updated: December 23, 2020

These Guidelines as well as the Events, Dates and Times for your specific sport can change or be cancelled given weather, participation size and COVID regulations.

General Guidelines for All Parks and Athletic Facilities:

- Coaches, Staff, and spectators are required to wear a mask at all times.
- No more than 250 people at a venue.
 - This includes players, spectators, coaches, game management and officials.
- Bring your own water (and snacks).
 - For now, all our water fountains are closed to keep you safe!
 - No shared coolers or water bottles allowed.
 - Please label your water bottles.
- We ask that you leave promptly after your practice and/or game.
- Bathrooms will be opened each night and teams will be provided with hand sanitizer, but spectators will need to bring their own hand sanitizers.
- We ask that if you do not feel up to par, have a fever, or if you are experiencing COVID-19 symptoms, please stay home.
 - If you have recently tested positive for COVID-19, we ask that you do not come to any event until you have set out for 14 days and have been cleared by a doctor
 - Please notify Fountain Inn Parks and Recreation Department if someone in your family or on your team has recently tested positive for COVID-19.
 - Options to reduce exposure from a positive test on one of our teams, or team we played, will be used up to and include sitting players/teams for 10-14 days. This will be guided by current CDC guidance on exposure risks and recommendations.
- Players, coaches, and volunteers who are considered at high-risk for COVID-19 by CDC standards ([cdc.gov](https://www.cdc.gov)) should not participate in practices or games.
- Sanitize:
 - Players and coaches should sanitize their hands upon arrival and throughout practice/games.
 - Equipment should be cleaned between practices/games or other equipment used if needed.
- If a player is diagnosed with COVID-19 or resides with someone diagnosed with COVID-19 then the player will be required to sit for at least 10 day or up to 14 days depending on current CDC guidance and exposure.
 - If the player has come in contact with team members options to reduce exposure will be used up to and include sitting players/teams for 10-14 days. This will be guided by current CDC guidance on exposure risks and recommendations.

The City of Fountain Inn is dedicated to protecting the health and safety of all people. The purpose of this document is to provide our volunteers, players, and their families with information they can use to assist them with returning to play in the context of COVID-19.

The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment. All content, including text, graphics, images, and information, are provided for general informational purposes only. The knowledge and circumstances around COVID-19 are changing constantly. The City of Fountain Inn makes no representation and assumes no responsibility for the completeness of this information. Further, you should seek advice from medical professionals and/or public health officials if you have specific questions about your return to training and competition.
