Orbit Futbol Club – Sponsorship Form

Thank you for considering an Orbit Futbol Club community partner sponsorship!

Orbit FC's primary purpose is to provide a challenging and fun soccer experience for children in and around Lawrence County. We provide organizational support and guidance for players, coaches and volunteers; a safe playing environment; and where it is appropriate – fair and challenging competition. We promote the values of fair play, good sportsmanship and both team and individual accomplishments. We continue to see growth in our club because we are committed to providing an excellent program for our players – something that we could not do without the assistance of community partners that are willing to invest in youth sports here in Lawrence County. Our sponsors have enabled us to:

- Develop players at all levels of play from Tots (ages 2-3) through U18 (High School) by building and improving their skills, confidence, fitness, initiative, and sense of teamwork.
- Expand programming available to players beyond annual Spring/Fall soccer seasons, including:
 - Challenger International Soccer Camp – an evening camp available for players age 6-14 years of age that combines the most popular elements of British soccer, Tetrabrazil, and a new and exciting International Curriculum
 - Winter, indoor skills training
- Provide need-based scholarships to players who would otherwise be unable to participate in the Club.

We sincerely appreciate the businesses within our community that contribute to our mission at a variety of giving levels: club, team, and player.

In the past year, our club has served the needs of over 500 players, representing hundreds of families in our community. We take an active part in promoting our sponsors to our membership and the broader community. Our Facebook page has over 1,000 followers and our website receives approximately 19,500 visitors each year, on average. We communicate frequently with our members through email, text, and social media – including promoting sponsor activities, promotions, and expressions of gratitude. Sponsors choosing higher levels of giving are rewarded with maximum exposure via our website, social media, yard signs both around the community and at games, and their business name and logos on our team jerseys.

The costs associated with providing the highest quality soccer programming to Lawrence County youth cannot be met with our registration fees and fundraising efforts alone. We rely heavily on our community partners to help us meet and exceed the expectations of our players learning the love of the game at Orbit Futbol Club.

Thank you!
