

# Ziegelman Family

Victory Christian School has been such a blessing to our family! Having 4 daughters, we knew we wanted them to have a solid Christian foundation not only in their church life, but through out their everyday school life as well!

When public and other private schools seemed to fail, we knew God was directing us to VCS, and we are so grateful to have listened. Our girls are flourishing in their academics and their faith, all thanks to the amazing staff at VCS and their daily prayers, guidance and knowledge they share with each and every student.

God is doing amazing things at VCS and we are so blessed to be along for the ride!
