**FOR IMMEDIATE RELEASE**

## **Autism Center for Children Creates New Flagship Center**

*Atlanta's Largest Clinic Devoted Entirely to Early Assessment and Life-Changing Treatment for Toddlers Opens in Woodstock on March 2*

Woodstock, GA – February 10, 2020 – Autism Center for Children, Atlanta’s leading practice advancing early diagnosis and treatment of autism in toddlers, today announced the grand opening of its new flagship Center, the largest in the company’s history. This office is designed to be the ultimate assessment and treatment center for toddlers in North Atlanta. The new Center is nearly 6,000 square feet and features a large event area, eight dedicated toilet training restrooms, and numerous group and individual treatment rooms and facilities. It is conveniently located at 2230 Towne Lake Parkway, Building 500, Woodstock, Georgia, 30189. It is set to open Monday, March 2, 2020, and will be staffed with the full complement of Autism Center for Children’s expert BCBA and RBT therapists.

The new flagship Center will initially offer a limited number of openings for immediate treatment of toddlers recently diagnosed with an autism spectrum disorder (ASD). In addition to accepting insurance including Aetna, Cigna and more, both Centers also accepts Private (Self) Pay options for treatment services. Dr. Crittendon – licensed clinical psychologist, Ph.D., BCBA-D, and the head of the Autism Center for Children – outlines the following parameters for its new office openings for treatment:

- Immediate March 2020 openings for our 5-star-rated intensive ABA treatment
- Up to 35 hours of therapy per child per week available (where deemed medically necessary based upon the individual child’s needs)
- Toddlers 15 to 24 months who have been recently diagnosed with an autism spectrum disorder
- Families living within a convenient radius of the new Center, including those in Acworth, Alpharetta, Ball Ground, Canton, Holly Springs, Jasper, Kennesaw, Marietta, Milton, Roswell, Waleska and Woodstock

“We are thrilled to open Atlanta's largest clinic devoted entirely to early assessment and life-changing treatment for toddlers” declares Dr. Crittendon. “Just a month prior to our fourth anniversary, we are consolidating all of our BCBA's and therapists into this flagship location. As always, it is our mission to provide autism services, resources and treatments that help deliver the most immediate, profound and lasting improvements in quality of life. Our new Center makes the Autism Center for Children’s renowned treatment services more focused and concentrated than ever.”

For more information on the Autism Center for Children or on these immediate treatment opportunities, contact us today at 678-996-4998 or visit [www.AutismCenterGA.com](http://www.AutismCenterGA.com), follow us on Twitter [@AutismAtlanta](https://twitter.com/AutismAtlanta) and Facebook at [www.facebook.com/AutismCenterGA](https://www.facebook.com/AutismCenterGA).

#### **About the Autism Center for Children**

For parents, pediatricians and other care-givers concerned about their toddler's social communication development, the Autism Center for Children provides accurate identification and treatment of autism – at the earliest possible signs of detection – for the most immediate, profound and lasting improvement in their quality of life.

Dr. Crittendon is a licensed clinical psychologist, Ph.D., BCBA-D, and the head of the Autism Center for Children. Her practice is a culmination of her work at Ole Miss, Kennedy Krieger Institute/Johns Hopkins School of Medicine, University of Tennessee, Vanderbilt University School of Medicine and with the Autism Partnership in California. The Autism Center for Children offers an increasing range of insurance coverage options for assessment and treatment of autism, and serves families in Atlanta and North Georgia from its flagship office at 2230 Towne Lake Parkway, Building 500, Woodstock, Georgia, 30189.
