

A Higher Standard of Excellence

We know every dentist is unique, and not all chairs are created equal. Belmont dental chairs tap into over a century of experience for a superior solution. For us, it's more than just a chair. It's a centerpiece of your practice.

Belmont—designed for you,
your patients, and your practice.

Q5500 DENTAL CHAIR

Discover the Q5500's exceptional craftsmanship and unsurpassed quality. Designed for a superior doctor and patient experience, the dental chair features a smooth-gliding positioning system seamlessly guides patients into a safe and effective treatment position. This feature-rich chair is the centerpiece for a thriving dental practice.

Q3300 DENTAL CHAIR

Optimized for the patient and practitioner experience, the Q3300 chair infuses the best of Belmont's quality, comfort, and value into a remarkably balanced chair. This high-performance chair features synchronous backrest and legrest reclining motion to ease the patient into an ideal treatment position.

B50N DENTAL CHAIR

Sensible features and incredible value establishes the B50N dental chair as a top chair for savvy practice owners. This enduring workhorse carries a long-standing record of performance, reliability, and durability.
