1. In exchange of Embassy notes during December 1965, the Vietnamese Government authorized the US Government to install and operate television stations at specific locations throughout RVN. The Da Nang - Hue area was one of the locations cited.

2. The Host Government clearance of Channel #11, to be used throughout VN, was assigned via P&T in letter dated 24 January 1966. Assignment of Channel 11 to MACV was made by CINCPAC message, DTG 040147Z February 1966, and subsequently assigned to AFRT-VN, on MACV Radio Frequency Authorization (RFA) No #903 dated 6 February 1966.

3. Informal negotiations with P&T are being conducted regarding the possible use of Channel #7 in the Hue area. You will be kept advised.
