

# Brookfield Tennis & Pickleball Club

## Quick Facts:

- Social club founded in Brookfield around the love of tennis in 1968
- Expanded to pickleball in 2020
- All club events take place in the Elmbrook School District
- Over 250 club members live in the Elmbrook School District
- Club mission is to socially connect tennis and pickleball players of all skill levels in Brookfield and the surrounding communities

## Benefits to Club Members:

- Opportunity to **meet other people in the community** with a similar interest
- Multiple weekly opportunities for **social interaction**
- Multiple weekly opportunities to be **physically active**

### Findings of a Recent Study<sup>1</sup>

More than any other sport, tennis added 9.7 years to life expectancy. There was a clear connection between social interaction and the physical demands of playing tennis that contributed to positive, life-enhancing factors

## Benefits to the Brookfield Community:

- Club promotes tennis and pickleball in the community and provides members opportunities to socialize and play
- Club has donated extensively and exclusively to facilities used by the club and the community
