

Q: What is Water by Awakening?

A: Tap water transformed *on the spot* to alkaline ionized water that has electrons (i.e., tiny pieces of electricity, with hardly any mass, too small to see), and minerals to provide: Hydration for improved joint lubrication; Mineral source to support brain and muscle function; Hydration for sports and exercise recovery; Hydration to support pH balance; Antioxidants; Boosts energy; Plus, no one-time use water bottles.

Q: Is Water by Awakening new?

A: The technology used has been around for some time, but what's new is the marketing approach designed to attract the demographic category of the health conscious consumer. With Water by Awakening, 10 families from the cul-de-sac can now share the cost of commercial equipment *in your store* to realize the daily benefits which were otherwise cost prohibitive. Now using the mass appeal of a vending machine that is optimally maintained and monitored every 5 seconds for high quality water output, customers will be directed to your store for the *newest* hydration product marketed as refueling to gain the edge *to compete*.

Q: So this is all about hydrating the cell to avoid dehydration?

A: Yes. Dehydration happens with symptoms of sluggishness, memory fog and lack of energy. The body uses multiple processes to produce, store and recoup energy. All of these processes rely upon water. Water dissolves everything that we digest and is found throughout cells and makes up roughly 75% of the body. With Water by Awakening, *fuel your within™* to compete.
