Chaplain's Message

Chaplain's message :

There is a lesson in the Bible for the children of Israel and the promised land that applies to us, even today.

Joshua 21

45 Not one word of all the good promises that the Lord had made to the house of Israel had failed; all came to pass.

Joshua lead the children of Israel across Jordan into the promised land after forty years of wandering in the desert. God fulfilled his promises to Moses and to Joshua, giving the children of Israel the land promised many years before, helping them defeat those in the land by the power of his hand.

But the Israelites had to go to war, trusting God to help them defeat the inhabitants of the land and destroy them as they had been told to do, so they could take the land for their own. We raise questions when it comes to the total destruction of a people, man woman and child, but the Canaanites were among the most evil people to ever live. The Israelites were used by God bring judgement on them.

The inheritance of the believers is for now and forevermore.

Our 'inheritance' as believers is also a promised land (heaven where we will live eternally), and Heaven is ours waiting for us to possess. It is a promise from God, if we claim it. It is a gift through our faith in Jesus, our risen Savior. And just like the people of Israel it is being protected and held for us. 1 Peter 1: 4, "an inheritance that is imperishable, undefiled, and unfading, kept in heaven for" us.

Today we have America; a land that is ours; a land the first pilgrims came to possess as they were fleeing religious persecution; a land we have always considered to be a blessing from God. As our Pledge of Allegiance says, "One nation under God." Today our religious freedoms are in danger of being taken away. Our Constitution was written to protect our religious freedoms, but we must vote this midterm election day to prevent those freedoms from being taken away from us.

So today we have two responsibilities. The first is to **pray** that God's hand will continue to be on our nation. The second is to **vote** and thereby **fight** for our country, because that is our duty. However, we must remember that ultimately God is in control.

Thank you Lord for giving us a wonderful place to live and serve you.

Stan.

Membership Chairman – **Steve French**

Well, we are down to the last car show for 2018 and I sure hope it's dry, cooler and well attended!! All the Ash and White T-shirts have gone to BAMC and all we have left for sale is Pink and Blue. So if you want one for yourself, let me know so can pull it from the table.

I have the new design for the 2019 T=Shirts and sweats hat I will show to everyone at the club meeting. I will be taking orders for sweats this year and I will be offering them in Ash, White, Blue and Garnet. Now you can a new color to your stash of sweats!

Since the White T's were a big NO seller, I am going to drastically reduce the number we order in all sizes. So if you want a White 2019 T, please let me know the quantity and sizes you want!

We will still offer Ash, Blue, Pink and Safety Green T's for 2019. The Blue and Pink will be a shade different so they won't be the same as the 2017 in the closet!!

Trivia question: What percentage of T's sold were Blue for 2018??

Remember, if you need something, call, email or text me.

Steve
