

THE DEMISE OF AMERICA

JUDGMENT OF BABYLON WEIGHED IN THE BALANCE

A Sword Coming to Divide the Nation

Mercury

The purpose of these illustrations are to provide some possible Biblical interpretation of the Hybrid Eclipse that will be seen in New York City (NYC) on the morning of November 3, 2013. Why NYC? 1) It is the première city and often labeled as the 'Capital of the World'. 2) It is also the main financial center with its Stock Market. 3) It is the symbol of commercialism with 5th Avenue, etc. 4) Lastly, it is a representation of the nation, the USA or America as a whole as it was its 1st Capital. Why this eclipse? Because it is the rarest of Hybrids in that only 8 have occurred since Christ and very significant as to its timing and location.

If what the Solar Hybrid Eclipse portrays prophetically against the sky is a 'writing on the wall' figuratively speaking for NYC and the USA, then both in particular are about to experience its demise, a judgment and division. At what time? That remains to be seen, it could be weeks, months, year, etc. This study is only postulating that the imagery that accompanies this rarest of Hybrid Eclipses in Libra, to be seen in the morning skies over the NYC skyline and from the Statue of Liberty, is prophetically echoing the 'writing on the wall' as it was for Babylon, that Great City of old during the time of the Prophet Daniel. The element GOD used as the agent for judgment was water. It is an omen to the 'City' and to the 'Nation' being weighed in the balance of GOD YHWH i.e., balances of Libra and found guilty; this is the 'handwriting on the wall' if you will; of a message of judgment, demise and division.

'THE FREEDOM TOWER'

Ground Zero in NYC is basically America's Giza Plateau. It is almost now an exact proportional replica of the Pyramids in Giza, especially now with the completion of the Freedom Tower. This Freedom Tower completes the 3 main Pyramids that are mirrored from those in Egypt. It also has the inverted and mirrored elongated HEXAGRAM design.

The new 1776 feet, with Antenna, Freedom Tower will not be celebrating the USA's Declaration of Independence but a birthing of the Illuminati Messiah as the old destroyed Twin Towers helix morphs into the 'One' new Tower, new creation. It is in the midst of this 'hidden Pyramid complex' like Giza dedicated to Osiris/Horus/Nimrod to be 'resurrected'. Again the height of the Freedom Tower with Antenna is 1776 Feet. To be completed in 2013, when the Age of Osiris is said to begin. Perhaps at this fall season that this Hybrid Eclipse is perhaps signaling as well?
