

## H.R. 218 / S.1132 Firearms Qualifications

Greywolf Services LLC is offering a Separated and Retired Law Enforcement Officer Firearms Qualification Course. This course is in accordance with H.R. 218 and S.1132. All retired certified law enforcement officers that reside in Missouri who qualify under H.R. 218 and S. 1132 may participate. Retired law enforcement members of the 1013 club, all retired FBI agents and FOP 3100 members who meet the requirements can also qualify.

The qualification course will be held at our private range located in Foley MO. Training dates and directions to the range are posted on our web site: "GREYWOLFSERVICES.COM". There will be two qualification sessions for each date: 10:00 A.M., and 2:00 P.M. Each training / qualification session will last two hours - depended upon the number of relays required. Qualifications will be conducted by a Greywolf Services POST Certified Firearms Instructors.

Please see the following requirements in order to participate:

- By Missouri law, all costs associated with the demonstration by such person to meet the required range testing component shall be the expense of the person being tested. The cost is **\$45.00 per person for each qualification session and \$5.00 for each additional weapon**. There are no limitations on the number of weapons you desire to qualify with.
- Checks, money orders or US Currency will be accepted. Payment should be made out to the Greywolf Services LLC. Participants may add "Firearms qualification, HR 218" to the note section of their check or money order.
- For those who do not have internet access, Greywolf Services LLC will be supplied with informational packets that can be mailed upon requests.
- Information will be posted in the Greywolf Services Web site.
- Retired law enforcement deputies or officers who wish to participate must have:
  - Photo identification showing proof as a Missouri resident,
  - Photo identification issued by the agency from which the individual retired from service as a law enforcement officer,
  - **HR 218 Retired Officer Request for Firearms Qualification form must be completed and notarized, prior to attending a qualification session,**
  - Greywolf Services range rules and policies will be in effect and followed by each participant prior to and during qualification,
  - Participants must meet their previous departments current standards for qualifications, which require the employee to regularly qualify in the use of a firearm (please see the attached Range Rules and Policies and qualification course of fire),
  - All firearms will be inspected for safety and functionality by a Greywolf Services firearms instructor,

- Firearms found to be unsafe or un-serviceable will not be allowed on the firing line,
- Greywolf Services firearms instructors conducting the qualification will have the final discretionary authority to disqualify firearms or person(s) based on safety concerns,
- A verification of employment letter is required to attend the training,
- Upon completion of qualification, an e-mail verification will be sent to the former officer's department if requested,
- A wallet sized certificate will be issued to the participant upon qualification.

Based on the mandatory requirements under H.R. 218, we strongly encourage those who are interested in participating and qualifying under the color of the Greywolf Services, carefully review both H.R. 218 and S. 1132 in its entirety to ensure that they meet all the necessary criteria and documentation required under the law. H.R. 218 is a public record and available upon request from the Missouri Attorney General's Office or may be accessed on line at the [www.mo.ago.gov](http://www.mo.ago.gov) website.
