[PAULA – EMAIL] The month is slipping away and as I just heard the song “We Choose Life” by the 3 Heath Brothers. I wanted to send an email right away. It's the first time I'm hearing that song and it's so appropriate now more than ever but especially since we're in the middle of 40 Days for Life (a peaceful and prayerful vigil throughout more than 1000 cities) I don't hear this music anywhere else and that's why I had to write to say THANK YOU!! We sure appreciate your dedication, long hours and great selection of music. God bless you all.

[KEITH – RHINELANDER] While listening to morning watch I hear Mike read letters sometimes from negative people. They don't like hearing programs that don't inspire them. When WRVM canceled Cal Thomas, one of the first things I thought was “here comes cancel culture.” I emailed a rather scathing note to you Mike, sharing my disappointment. I find that Cal Thomas returning to WRVM aligns with the way most Christians think. It's refreshing to all the turmoil going on in this world today. If some of the programs aired don't appeal to me I simply find something else to do for that time. So in closing keep up the great work in spreading God's word.
