in Valley Center, California in Oct, 2017**

**Dave Ellis 5 Star Parelli Master Instructor
Jody Grimm 3 Star PNH Certified Instructor
Margit Deerman 4 Star PNH Certified Instructor
hosting and helping**

**We are offering to the Southwest 3 full days of
horsemanship sharing the Parelli foundation as it
advances to the fun of**

**Cowboy Dressage
October 13, 14, & 15 2017**

**Star Valley Park
14970 Vesper Road
Valley Center, Ca. 92082**

Many of us have spent years studying our Horsemanship Foundations and constantly improving our skills working our way towards Refinement and Finesse.

Take 3 days to Use these skills and have some fun!

Dave Ellis' time with Eitan affords him the insight to apply Pat & Linda's principles to this exciting new sport called
COWBOY DRESSAGE.

Jody Grimm & Margit Deerman's extensive dressage experience gives them the opportunity to really help us honor the specific nuances of the sport.

**What a Super Combination
of Instructors for you!**

Elements of Cowboy Dressage

**Intro to Cowboy Dressage
Oct 13**

**Advancing Cowboy
Dressage
Oct 14 & 15**

If you've seen Jody & Dave in the past, you know that they are two of Pat & Linda's top instructors.

Dave has been with Pat for over 32 years. He competes in Cowboy Dressage competitions and wins. He is a native of California and knows the Californian style horsemanship inside and out.

Jody Grimm will be assisting Linda Parelli in her MASTER CLASSES in Ocala Florida in March and Pagosa Springs in August 2017. She is always looking to improve her horsemanship and teaching by riding with master horseman and Olympic level riders as often as possible.

Margit has been teaching at the Parelli Center in Pagosa Springs during the summer for over 5 years. She has been studying dressage with world masters for 5 years and has achieved San Diego Open Division Championship 3 years in a row with her stallion Panadero.

You just cannot receive better help than from these 3 excellent instructors, and at the same place at the same time. What an opportunity, especially for utilizing Parelli foundations for Specialization.
