This chart shows that the National Museum of Anthropology is configured into a 'Alien-Grey' Skull depiction much as the Freemasons are associated with the Skull and Bones. The orientation is looking toward the East. One of the main Masonic Lodges is located within the 3-Dimensional pyramid that mimics the Great Pyramid of Giza. The red ascending serpent acts as the Ascending Pathway to the main chamber. The 'eyes' of the serpent are depicted by the Twin Towers of Mexico. The 2nd serpent, a 'Cobra' is fused with the capstone, the capstone is associated with the Pharaohs of Egypt in that they too had a Feathered Serpent deity. This 'god' takes the place of the Eye of Horus, Lucifer which the is only revealed to be their true lord and master of the Masons, per Albert Pike. The Great Pyramid is said to be an 'Oracle' of Earth's dimensions encoded in sacred geometry such as pi. Sites all over the world thus have their place on certain ley-lines that are measured from the Great Pyramid. The Masons are very spiritual and believe that 'Mankind' is being aided by supreme divine entities that abide in the spiritual dimension. They can be accessed by certain magical rituals at certain places like Lodges that mirror
