OC PUBLIC WORKS
(OC ENVIRONMENTAL RESOURCES)

APPLY NOW

THE DETAILS:

THIS RECRUITMENT IS OPEN TO THE PUBLIC

This recruitment is being held to establish an open eligible list to fill current and future Senior Environmental Resources Specialist vacancies within OC Public Works. This recruitment may also be used to fill positions in similar and/or lower classifications throughout the County of Orange.

THE OPPORTUNITY

OC Public Works currently has an exciting career opportunity for a Senior Environmental Resources Specialist in the North OC Watershed Management Area. This position will be responsible for overseeing regional municipal compliance with federal and state mandates regulating stormwater runoff from urbanized areas in North Orange County (OC).

The Senior Environmental Resources Specialist's job duties include, but are not limited to:

- Administrating multiple committees and watershed budgets
- Coordinating implementation of multiple regional stormwater compliance programs regulated by the state
- Developing associated strategies and policy positions for new environmental regulatory initiatives, evaluating technical compliance reports, and completing other required environmental program activities
- Daily administration of multiple consultant service and architect-engineer contracts for environmental science, legal/regulatory, and stormwater

program implementation activities
