

Dr. Beth Ellie

Dr. Ellie serves as the manager of Institutional Effectiveness, Accreditation & Quality at Mid-State Technical College in central Wisconsin. A Six Sigma Black Belt, Beth is gifted at breaking down data to the team level to create ownership and consensus amongst diverse groups to achieve institutional goals. Beth has served as a peer reviewer for the Higher Learning Commission for more than a decade. Beth earned a doctorate in Higher Education Leadership from Edgewood College and a graduate certificate in Evaluation Studies from UW-Stout.
