## PRODUCT TECHNOLOGY

### Reala™ Surface Technology

Ultra-realistic textures cast from natural stone, brick and historic cobblestones.

### Ultima™ Concrete Technology

This proprietary manufacturing process creates pavers and walls with up to four times the strength of poured concrete.

Colors, product data, and availability are subject to change without notice. Please confirm all details with your local Unilock Dealer or call 1-800-UNILOCK (1-800-864-5625) for availability in your area. The colors shown should only be used as a guide. Final color selections should always be made from actual samples.

## ENDURACOLOR™ PLUS

### A NEW STANDARD FOR EVERLASTING BEAUTY.

EnduraColor™ Plus products promise long-lasting beauty through a **proprietary blend of exclusive and superior ingredients**. A complex blend of granite and quartz, some of nature's highest performing minerals, are combined with non-fading color pigments that hold fast under UV light and extreme weather conditions. This combination is used to create ultra-realistic surface textures and unique style options that are exceptionally durable.

Unilock® provides a Transferable Lifetime Guarantee on the structural integrity of our paving stones, slabs and retaining wall units for residential use. Any materials installed and maintained to our guidelines, and subject to normal wear, that prove defective, will be replaced without cost. Color matching cannot be guaranteed and replacement labor is not included. Registration is required.
