

Dear Families of The Harmony House,

The Harmony House IS open starting **TODAY, Thursday, March 19**. *If you prefer to continue with virtual lessons this week, please do.* We will make decisions week-by-week until the virus passes.

We encourage and/or are implementing the following safeguards:

- 1) Wear a mask (not voice or wind instruments)
- 2) Staff will wipe the touch points before, between, and after students
- 3) Maintain a social distance - sit further a part in the lesson rooms. May leave the door cracked for ventilation.
- 4) Wash hands before the lesson. Teachers will wash hands between students as well.
- 5) Very important: *Any who have a cough or fever, please request a make up lesson.*
- 6) (When weather is appropriate) We will leave the front door open for fresh air - studies show that fresh air is a natural disinfectant.
- 7) Last but not least: Join us in prayer! We are praying for health for all students/families, and teachers of The Harmony House!

Make up lessons:

If you did not receive a virtual lesson this week, please request a make up lesson. Teachers coordinate make up lessons directly with students. There are five Mondays and five Tuesdays in March. If you missed a lesson on Monday or Tuesday, please know that there are still four lessons remaining in March. Even so, please request a make up lesson to be sure lessons average 4/month.

New Song Fellowship:

We will meet for service on Sunday at 10 (Cherokee), implementing the above safeguards. If you're comfortable with gathering together, join us. We will be observing Communion this Sunday.

God is sovereign over all, even this virus. We are praying for health for all who are associated with The Harmony House!

We are looking forward to listening to our students play beautiful music once again!

Peace to you and yours,

Heidi Truitt
