

**TEAM RUBICON**

Team Rubicon is a veteran-led international organization that helps clean-up communities after a disaster. They cut trees and logs for firewood and even chip debris when a chipper is available to them.

Team Rubicon was contacted after the “micro-burst” windstorm that came through last August. There is still debris left from that event and there are trees that were weakened by the storm. After completing an assessment in Rockford, they found that there is enough damage that they would like to help in April. Their service is free, and they are licensed, bonded and insured. They do ask that property owners fill out a “right-of-entry” form that allows them access.

If you are interested, please complete a right-of-entry form which can be found on the town’s website or by stopping by Town Hall. Once forms have been received, the team will be able to tell how many sawyers will be in town and for how many days.

*If you have questions, please call Micki Harnois at (509) 868-3102 or, for the local Team Rubicon chapter in Deer Park, call (509) 688-9001.*
