Honor Roll

Pipe Fitters Local Union 120

Entered on the following pages are the names of those members of Pipe Fitters Local Union No. 120 who fought to organize and to perpetuate the labor movement to its present day prominence.

Local 120 was chartered in 1899, and early records are either unavailable or incomplete. Consequently, some members' names, regrettably, may be missing from this Honor Roll. With a deep sense of gratitude we acknowledge the dignity and dedication of their struggle and we dedicate these pages to honor all deceased members, whether they be listed or are unknown.

May they rest in peace, in the knowledge that their ideals and high standards of excellence will be maintained by those of us who are privileged to follow.
