

Math Sequence

1. Addition, Subtraction, Multiplication, and Division
2. Problem Solving Strategies for story problems
3. Reading Numbers , Place Value, Number Sense
4. Rounding
5. Graphs and charts
6. Measurement - Customary
7. Greater Than, Less Than, or Equal to Level 1
8. Measurement- Time & Money
9. Geometry Level 1
10. Fractions
11. Multiples (GCF & LCM) & Roman Numerals
12. Decimals
13. Percents
14. Estimating
15. Greater Than, Less Than, or Equal to Level 2
16. Sequences
17. Squaring
18. Cubing
19. Probability
20. Signed Numbers
21. Mean, Mode, & Median
22. Measurement - Metric
23. Geometry Level 2
24. Perimeter
25. Area & Volume
26. Logic
27. Algebra Level 1 - Terminology, Order of Operations and Axioms
28. Saxon Level 54
29. Saxon Level 65
30. Saxon Level 76 to Advanced Algebra
