

TEEN AVIATION CAMP

High School Sophomores - Juniors

If attending the US Air Force Academy or a career in aviation is in your sights, this is the camp for you. You'll tour the Academy, attend mechanical/aeronautical engineering classes, fly a Cessna, and interact with Air Force Cadets. Check with your Youth Programs Directors and let your summer take flight.

June 24-30, 2017 US Air Force Academy

Application available at your Youth Center and on usafasupport.com.
Submit by April 24 at 10fss.fsfy.youthcenter@us.af.mil

All lodging, meals and program costs are centrally funded and at no cost to the participants.
Transportation costs are the responsibility of the attendees or their installation.
