

PLEIADIAN STAR MAP OF COLUMBIA

The purpose of this illustration is to suggest that the core of the District of Columbia is patterned after the cosmic alignment of Sirius to the Pleiades. This configuration is based on the Luciferian religion of Nimrod, the 1st Mason after the Flood of Noah. It sets the Queen of Heaven, Lucifer as Sirius and his consort, Orion with its complimentary sexual union at the Obelisk. It is a rendition of the phallus or Shaft of Baal. Wherever there is a dome and obelisk architecture, it is a euphemism of this Sirius and Orion union that 'impregnates' the vector as if a 'Manchild' is to be birthed.

This is Mystery Babylon, the antitype of the Virgin of Christ as compared to in the book of Revelation. One reason why this portion of the cosmos or Mazzaroth is so inscribed around the world in the most prominent of places and temples of the world capitals is that this region has the concentration of the brightest stars in the Universe.

This region is said to be where the Fallen Angels and their 'Queen' Lucifer rebelled from and were expelled from, thus the very Throne of the Creator, YHVH. This cosmic composition superimposed over the Columbia is a counterfeit of the real association that is defining the work of Jesus Christ the true Orion, Sirius taking the wrath of YHVH or as it were Taurus on the cross for the sins of the Pleiades, the Virgins, the 7 Churches of Asia to ready as a Bride.
