

Skinnners,

a pity we got rained out, but thanks to all of you we had a good and successful

2015 SQUIRREL SHOOT!

Turnout was excellent for the first day of the shoot, and our efforts were well worthwhile. As always, our potluck dinner was outstanding, thanks to your contributions, and those of your spouses. Also, many thanks are due for the gifts you have provided - eclectic, unusual and always nice to have!

Our guests appreciated the event, and we received many thanks from them, they left happy. Even getting stuck in the mud did nothing to daunt the good spirits!

Again, thank you.

Peter, Captain
