- Thank you to Brie for organizing the gift for Carol Sherman. Carol was very appreciative.
- Keep the Blair family in your thoughts, the sudden passing of Dave's father-in-law.
- Social Media Support:
  - Legally, we are not allowed to enforce any rules (and subsequent consequences) on social media conduct unless it occurs during the actual school day.
  - Overall, approach is to take an educational one and teach young people that their social media content is like their fingerprint – it never goes away and it paints a true picture of who they are.
  - Remind players that their social media content reflects: themselves, their family, their team, the SV School District.
- NCAA Student-Athlete Support:
  - Always open to connect with Nii, Eddie or Heather for support and guidance. Also looking to offer up a community presentation on NCAA Recruiting & Rules (along with Guidance) sometime this early spring.

  - QR code/google doc to be filled out by parents and players to assist with communication and apparel sizes.
