

Westchester Corvette Club

March 4, 2021 meeting minutes

**Attendees:** Rich Sarcone, Don Swallow, Dennis P. Pennino, Vin Camporeale, Rich Dolce, Billy Shoenberg, Wayne LaFranco, Don Swallow.

Meeting commenced at 6:35PM

Rich Sarcone opened the meeting, getting right down to business with a discussion on Carlyle. We will have the same set-up and package as last year.

Joe Covais may have blocked rooms for club members, however Joe was not present to confirm this.

Rich informed the group that our insurance carrier dropped us having something to do with corona virus and our club exposure to it, however, we were able to sign up with a new carrier, Hagerty Insurance. Hagerty is able to cover all our events.

We are hoping to have a cruise in April and hoping to have more club events scheduled this season. Our Holiday party that we kept putting off because of the pandemic is off the calendar, however, we feel the next will be a go.

The meeting was closed at 6:43PM
