February 2014 President's Message

Well fellow anglers another year begins. I hope you signed up for Fish for Food. It is my understanding we filled the boat. That does not mean you are frozen out. You can still call the landing at 805 797 7657 2nd check on availability of spots on other boats. I checked Monday and there were still thirty spots available on other boats. Hope to see as many club members as can make it out fishing for this worthy cause.

This month begins the sign ups for charters. The price of the Dawn is \$185.00. I do not have the Tak prices but they should not be more that \$5 to \$10 dollars more than last year.

remember sign ups are first come first served. I will have a sign up sheet at the entrance to Mimis. If you are signing up for a trip please sign the sheet as soon as you get there.

I will have the Release of Liability Forms so please sign one for the entire year and return to me.

if you attend Fred Hall this year and take in any seminars and believe the person would be a good speaker, please get a name and number as give to Mr.Guiliani or me. Also as you roam around the Fred Hall Show or in your travels, if you meet someone you believe the club would like to hear, let us know.

I hope all of you get a chance to go fishing soon. The weather has held up pretty good. so make plans, sign up and come out and enjoy what the club has to offer.

Your President

Fresh Water Event Update

Those who let me know on the night of the meeting and making some follow up phone calls during the week lead to a very enjoyable morning. I get a call from Randy about 9AM Saturday wondering where is everyone? I tell him it's Sunday we're fishing! Miscommunication on my part. So here's the story. Laney, Alex Perez, Mike, Dave, Dave, Mike, huh! and Randy. Turns out Alex brings his two brothers along Michael and David.

The perch wanted to bite right from the get go. Gulp sandworms were the hot bait, tiny fish and 3/4 pounders bit consistently for two hours. Alex sadly didn't land any. Once the bite slowed down, the three brothers left, leaving Laney, Dave Craig, Randy and myself to catch a few more. In the end Dave lands about a 1lb.1/4oz fat boy. It was a good outing, thanks Randy for showing up two days in a row. I want thank Alex for bringing his bros along

Here's the fresh /surf water schedule for the year

1	02/15 or 02/22	Castaic Lagoon. Float Tubes, Yacs, Shore or Boats with electric motors

See you all at the meeting

DINNER MEETINGS

Once again for 2014 we are able to meet at Mimi's Restaurant in Monrovia. It has become more and more difficult to find meeting space as time goes on. In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep

the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2014 are the same as last year: \$45 for an individual and \$60 for a family membership. That entitles you to one T-shirt for individuals and 2 T-Shirts for family members.

West Coast sardine crash could radiate throughout ecosystem **By** **Ron Coleman**

The sardine fishing boat Eileen motored slowly through moonlit waters from San Pedro to Santa Catalina Island, its weary-eyed captain growing more desperate as the night wore on. After 12 hours and \$1,000 worth of fuel, Corbin Hanson and his crew returned to port without a single fish.
