Logos Bible Software Introductory Zoom Webinar
Saturday, February 10
10am-Noon
Instructor: Dr. William Tyree

Beginning next academic year (2024-2025), all students will be using Logos Bible Software as a necessary part of their academic program. One of our own instructors, Dr. William Tyree, is well qualified to introduce you to this program, which is offered to you at no charge. He has been using Logos all the way back to its early years and is an expert. We are thankful for his willingness to teach us!

If you are interested in participating, please email Dr. Donald W Mills, Academic Dean: dmntprof@yahoo.com and a link will be sent to you that Saturday morning.

All current and former students are welcome, along with anyone interested in attending PBCTS. Faculty and staff, you are welcome too!
