

Welcome!

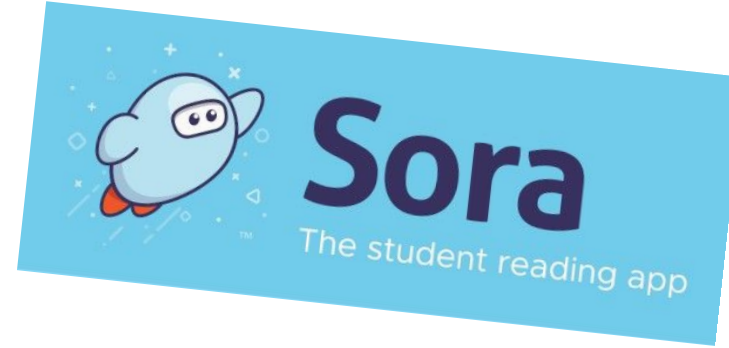

Securly

-ICMS's filtering, blocking, and monitoring chromebook activity program.

- ❖ Student's must be using school issued chromebook device and school email during school hours and for school work.
- ❖ Teachers can see students screens during class from 7:30-3:30.
- ❖ Notifies administration if a student is searching inappropriate, or self harming, information at any time.
- ❖ Scans google email and drive for similar topics and to identify bullying.
- ❖ Blocks students from websites they should not be on in school (i.e. social media, games, shopping)
- ❖ There is a parent app that parents can utilize to see students activity, and manage settings outside of school hours (handout will be given today for more information).

Sora/Overdrive Digital Library

- ❖ Slowly building online library that students can access digital books through their ICMS google account.
- ❖ Students can check out digital books from ICMS library AND the Metropolitan Library System using their ICMS google email.
- ❖ Filters are in place to maintain appropriate reading content when checking out books from the Metro Library.
- ❖ Students can highlight and make notes while reading.
- ❖ There is an app that can be downloaded on other devices so students can read on different devices.

Google Classroom

- ❖ Will get emails from their teachers with invites to their Google Classrooms by the first day of school.
- ❖ Students will log in to each classes classroom at the beginning of class each day. The Google Meet link will be posted in classroom during virtual learning.
- ❖ When in Google Classroom/Meets students are expected to complete assigned work, be muted, and raise their hands or utilize chat feature.
- ❖ Students must be wearing a school appropriate, solid, red, white, or navy top or an ICMS polo shirt during every Google Meet.

Google Classroom Continued

To log in to your google accounts your student email is

firstname.lastname@student.icmsokc.com

First time users password is set as icms3232 and needs to be changed the first time logging in.

Edgenuity

- ❖ Online curriculum program where the ICMS teachers set the sequence of content. Students enrolled for Edgenuity only will work at their own pace for the entirety of first semester. Students enrolled for virtual/in person learning will use edgenuity at the pace of their teacher and attend google meet classes for the first 9 weeks.
- ❖ Emails for Edgenuity login in will be sent to students and parents prior to school year starting.
- ❖ Virtual/in person students will set up their Edgenuity accounts during the A1 class on the first day of school.
- ❖ Edgenuity (only online) students will have a google meet with their A1 teacher on August 31st at 3:10 PM to set up their accounts.

Chromebooks

- ❖ Standard technology package includes a chromebook, charger and case.
- ❖ Please read all chromebook technology information.
- ❖ Damages must be reported immediately to Ms Wiley at cwiley@icmsokc.com

- ❖ Students must use school issued chromebook and school issued email for all school work at home and at school.
- ❖ Technology Protection Plan is a choice that must be purchased before leaving the school with your technology package.
- ❖ The protection plan is much cheaper than potential repair/replacement cost.

Important Dates/Times

- ❖ August 31st- First day of School
 - Virtual/in persons students will have Google Meets
- ❖ August 31st- Edgenuity enrolled students will Google Meet with their A1 teacher at 3:10 PM.
