The Pros & Cons of Care at Home

"There's no place like home," but it's not always the best option. We cover the pros & cons of Aging in Place and best practices for (safely) extending care at home.

"Truly, many families don't know where to turn and I was one of them. With Kupuna Care Pair, I'm confident it will help families understand and make wiser decisions for their senior(s), and hopefully provide a peace of mind too. I wish this was available to me when I needed it for my parents." - Donna K.
