\*Please note, we do not provide transportation. We are in the boundaries of Minnesauke Elementary school. If your child attends Minnesauke, they can be bussed to and from school by the Three Village transportation. You must contact your child's school for approval. If your child attends Norwood Elementary we can walk your child to/from school. For this year, summer for school-age care will be the same price as our preschoolers.

There is a \$100 registration fee for new families. No registration fee for re-registrants before April 1st. After April 1st it will be \$50. If you dis-enroll your child for any amount of time, you will be required to pay the \$100 registration fee again.
