## EMERGENCY AWARENESS

Cold and stormy weather is on the way, which means it's time to talk about being prepared for emergencies. Below are some tips to help you through the season:

- Make sure to pull a **backup** of your system. We pull monthly backups for customers on support, but it's a good idea to do daily or weekly backups on your own.
- A **UPS (Uninterruptible Power Supply)** is an inexpensive way to protect those computers when the storms cause outages or power surges. They can be found on Amazon, Office Depot, and Costco.
- Have a **Crash Kit** ready to go. It should contain a manual credit card imprinter, credit card slips, flashlight with batteries, pen, pads of paper,
