

APPLICATION FOR PATRON MEMBERSHIP

- 1) In principle, patronage exists only for individuals. The minimum annual contribution is CHF 250.
- 2) The patronage comes into force for the first time on the date of payment and ends on the following 25th of April. After that, the patronage is valid for one year.
- 3) The patronage is associated with the FIGU-3-monthly publication *Stimme der Wassermannzeit*, which is included in the patronage amount and is automatically delivered.
- 4) The patronage is combined with a patron's identity card (please enclose 1 passport photo for identification), which entitles the holder to a reduced price for FIGU events requiring admission, but only upon presentation of the patron's identity card.
- 5) The patronage does not entitle the patronage to have a say in FIGU matters, nor to participate in the Core Group of 49, but to participate in the Passive Group Meetings, at which patrons do not have the right to vote. Access to the statutes on the internet or upon request.
- 6) The patronage entitles the patronage to the Spiritual Teaching-Study, which is, however, not included in the patronage fee and must be paid separately with the sending of the Spiritual Teaching and the Spiritual Teaching statement.
- 7) The Spiritual Teaching-Study expires upon termination of patronage, but is continued upon transfer to a FIGU group (Core Group of the 49, Secondary Core Group or Passive Group).
