AKC LIFETIME ACHIEVEMENT AWARD NOMINATION

AKC Announced its Lifetime Achievement Award Nominations, The purpose of the awards is to celebrate those individuals whose many years of dedication have led to significant contributions to our Sport on a national level.

I am THRILLED to see one of the best has been nominated in the Performance Category. I am honored to call Jaci Bowman a friend and mentor. She is a force to be reckoned with. Be sure not to stand in her way if she wants to accomplish something. She is determined and hard working and a mentor to many. She never sugar coats anything and tells it like it is. I love to work with her on anything, building courses for our clubs Agility trials, training Retrievers together or learning how to show & groom my poodle. If shes at the helm of any ship I know it will not fail.

Congrats Jaci! You deserve every ounce of this Nomination!

Jaci Bowman

"I received my first dog, a miniature Poodle, as a birthday present in 1966. In 1968 I joined the Greater Milwaukee Poodle Club as a junior member and titled my first Poodle in Obedience in 1970. I've proudly been 20 yr. member and Agility instructor of the Western Waukesha County Dog Training Club, a 19 yr. member of West Allis Training Kennel Club, former member and Utility instructor of K-9 Obedience Training Club of Menomonee Falls, the first Associate Member of Poodle Club of America, and member of American Chesapeake Club (my other breed). I formulated and initiated (along with two other members) the Upland Working Certificate Program and served as Test Chair for Poodle Club of America since its inception. That program was the catalyst for the breed being accepted into the AKC Spaniel Hunt Test program. I also Chaired the first three Spaniel Hunt Tests run by PCA.

I have been pleased to be chair or secretary of the WC/WCX tests held by the Greater Milwaukee Poodle Club for 18 consecutive years and was also the chair for the first licensed AKC Spaniel Hunt Test put on by GMPC, which was the first affiliate Poodle club licensed for spaniel hunt tests in 2021.

I am a strong supporter of the parent club certificate programs as that is the first step into the field for many people. I have had the pleasure to have trained and handled the first Poodle to receive a Retriever Hunt Test title in 1999, and in 2016, the first Chesapeake to receive Junior and Senior Spaniel Hunt Test titles. Through those efforts I have encouraged many to follow my path.

I have chaired the GMPC Obedience and Rally trials the past 16 years.

I have also exhibited a Poodle to its conformation GRCH in the Modified Continental Clip, and as a professional groomer have given talks, seminars, and articles on the trim. This functional trim allows a Poodle to work in the field one day, and also win in the show ring, as I've done many times.

Long ago I was taught that you get more done in the trenches than on the podium, and if you take from dog sports, you need to give back... Giving back through working for clubs has always been and will continue to be my focus."
