SAFE SCHOLARSHIPS - Awarded annually to STMA students planning a career in the sports turf industry.

SAFE awards several named scholarships: the Dr. James Watson Graduate, Undergraduate and two-year Scholarships, and the Dr. Fred Grau Scholarship. The minimum scholarship amount awarded is \$1,250.

- Students are strongly encouraged to apply for the scholarships.
- Applicants are judged on academic preparation, GPA, experience in sports field management, references provided by student advisers and employers, contributions to their school and organizations to which they belong, as well as career objectives.

Thank you to the [Toro Giving Program](#) for their support of the Watson scholarships.
