

## **PACIFIC WESTERN NETWORK MINISTRIES**

### **WHAT ARE THE BENEFITS AND ADVANTAGES OF JOINING THE IPHC?**

**Welcome to Pacific Western Network Ministries. We are delighted that you are taking a look at us. Our vision at Pac West is centered on the theme of our conference- “Called to Plant, Destined to Grow”. Our call is to reach the people of California, Nevada and Utah for the gospel. As Bishop of the Conference, my heart has always been for the peoples of the nations. I have traveled to other countries where I have found brothers and sisters in the Lord. In the boundaries of Pac West we have the greatest potential to reach peoples of the nations as we are made up of many different people groups. It is our desire to reach ALL people in Pac West, so we invite you to join us.**

**Below are some of the best reasons to become part of the International Pentecostal Holiness Church (IPHC).**

- 1. You will be under the covering of a safe denomination that has been in existence for over 100 years. We have grown from a revival outpouring in North Carolina to a worldwide movement with a mission presence in 103 countries of the world. Check the IPHC website for more history. This covering now is really important because of all the lawsuits that threaten churches in areas such as same-sex marriages. The IPHC has made their position plain and have given their churches protection.**
- 2. The IPHC is part of Pentecostal groups such as the Church of God, Assemblies of God, Pentecostal Church of God, Foursquare and the Church of God in Christ who are growing. God is pouring out his Spirit and new churches are being added. Our goal at Pac West is to add 1 new church a month. Most other mainline denominations are losing people.**
- 3. The IPHC has an extension loan fund that loans money to churches to purchase buildings and expand. Most all banks will not loan to churches. We just had a Hispanic church that purchased a building through the help of the extension loan fund.**
- 4. Pacific western Network Ministries has regular scheduled training events throughout the year. These are designed to help our pastors and churches to grow.**
- 5. We offer men’s retreats, women’s retreats, youth winter camp, pastors and ministers and spouses a yearly retreat for times of encouragement and interaction among all the pastors. These also include events for Filipinos and Hispanics.**

- 6. We offer a degree program through Advantage Bible College that works well with bi-vocational pastors.**
- 7. We offer every church a chance to belong to something bigger than themselves. Our denominational mission's ministry to the nations of the world is second to none.**
- 8. As a full member church you will be under the umbrella of the IPHC's 5013C which is very important with the IRS.**
- 9. The team of Pacific Western Network Ministries will provide guidance and help in many areas for the local pastor and church. Our network of churches has helped other churches by sharing equipment and other needs that a church may have.**
- 10. The Bishop believes in the local church as this is where ministry takes place and people are transformed. Our Bishop believes in the pastors and supports them.**
- 11. At times the conference is able to help with needed funds for the local churches to get them through a dry season.**
- 12. Our conference exists so men and women can see the fulfillment of the call that God has put on a person's life. As relationships are built, then God can use us to speak into each other's lives. Our Bishop will build a relationship with you as well as giving you material for your own personal growth.**
- 13. You would be part of a movement that God has spoken to by the Holy Spirit to be one of those who God is working through in a miraculous way. Please: we are not bragging and we are not the only one, but God has set his hand on the IPHC to accomplish his will in the world in these final hours.**
- 14. If you are tired of being out there alone with little or no support from others around you, then Pacific Western Network Ministries is the right place for you. Try us, you will not be disappointed.**
- 15. For added information, look us up on the web at Pacific Western Network Ministries and also on the IPHC website. You may also contact Bishop Stan Reynolds at (530) 701-3391 or call Linda Hartness at the office at (559) 322-1966.**
